

As a parent cooperative school, Sandy Hill is founded upon and dependent on the participation of all our members. Parents help support the school in many ways. Enrollment at Sandy Hill requires parents agree to:

1. Help in the classroom from 8:45 a.m. to 12:45 p.m. (at least twice monthly for the T/Th classes, at least once monthly for the MWF classes) for the purpose of assisting our teachers and children. Classroom participation sign-up calendar is posted monthly. To ensure the safety of all the children, younger siblings may not attend on the days parents assist in the classroom.
2. Participate in the Fall Fundraiser by selling the suggested minimum, or by paying a fee by November 2, 2010. "Buy out" fee to be established by the Fall Fundraiser Committee and Board of Directors.
3. Arrange for one parent to help for a 4-hour session at work parties twice a year (traditionally scheduled in October and March) to clean and maintain classrooms and school grounds. Families unable to attend due to extenuating circumstances will pay a \$100.00 fee per missed work party assessed to the following month's tuition bill.
4. Actively participate on a committee or serve on the Board of Directors (5 to 10 hours on average per month).
5. Complete all required forms on time, pay tuition and fees promptly and have a current TB clearance on file for parent(s) or family member(s) who assist in the classroom.
6. Whenever possible, attend the parent talks, and social events, as well as chaperone children on field trips. Siblings may not attend the field trips. *Refer to school calendar for many predetermined dates.*
7. Agree to sell a minimum of 10 raffle tickets (raffle will be drawn at the end of year Spring Fling). Information made available between February and May.
8. Purchase two tickets of no more than \$40.00 per ticket, to the end of the year Spring Fling and participate by attending. Guest tickets will be available.
9. Attend Parent Orientation (August date TBD), Open House on September 3, 2010 (10A.M.-11A.M.), and Back to School Night on September 9, 2010 (6:30P.M.-8:00P.M.).
10. Abide by the parking policy. Do not park in any spaces marked NO SANDY HILL PARKING regardless of time posted and by parking in the lower lot on all classroom participation days.
11. Understand that Sandy Hill is a true Parent Cooperative School. Under Community Care Licensing rules, all parents are permitted to escort children to the bathroom.

I have read the PARENT PARTICIPATION AGREEMENT, understand it is subject to change and understand my responsibilities as a member of the Sandy Hill Cooperative. I have/will read and understand the Sandy Hill Nursery School Handbook for Parents in its entirety (as found on the Sandy Hill website).
